

StatelessWidget::build

```
graph LR; A[StatelessWidget::build] --> B[StatelessWidget::OnBoardingNextButton]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'StatelessWidget::build'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'StatelessWidget::OnBoardingNextButton'.
